

GUIDED MISSILE AND ASTRONAUTICS INTELLIGENCE COMMITTEE

20 November 1961

**MEMORANDUM FOR: Chief, Property and Supplies, Office of
Secretary of Defense**

ATTENTION : Mr. M. M. Miller

SUBJECT : Conference Tables

1. We have one (1) 12 foot conference table which is presently occupying most of the space in the Office of the Chairman, Guided Missile and Astronautics Intelligence Committee, Room 2A270, Pentagon. This room while occupied by the Chairman is also utilized as a secondary conference room.

2. Since space is very limited in this room, we request trading in our one (1) 12 foot conference table for two (2) smaller conference tables (approximate length: 6 feet by 3 feet).
